

Commsave's Ambassador Scheme

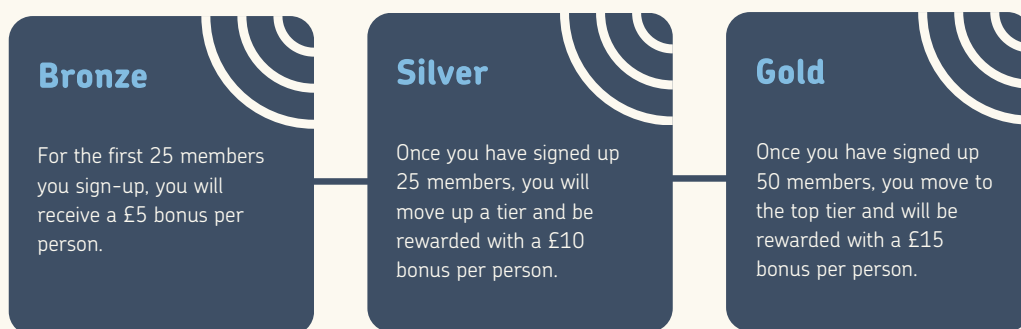

What is a Commsave Ambassador?

As an Ambassador, you will play a key role in representing Commsave in your workplace and encouraging as many colleagues to sign up as possible.

For each one you successfully bring onboard we will reward you, straight into your Commsave savings account.

How it works

Our tiered reward structure works like this:

Once you are an Ambassador you will receive a welcome email which will include your unique Ambassador code. This is what new members will use when they sign up online

What support do we provide?

As well as always having access to our friendly Member Services team, we have an extensive range of materials and tools to help you explain the benefits of being a Commsave member to your colleagues, including:

- Training at our annual Ambassador Celebration Event. This is your opportunity to network with fellow Ambassadors and learn tips and tricks for successfully signing up even more of your colleagues.
- Online tools and content to support your colleagues financial wellbeing.
- Posters, brochures and application forms.
- A series of webinars and podcasts which are currently in the works - do you have any topics you'd like us to cover?
